

# Stephanie Greasley

Stephanie Greasley is a leading business coach with a proven record as a senior corporate and coaching professional. With over 25 years experience (10 of them at director level) she has used coaching as a primary tool in her corporate life, building teams, motivating them and delivering outstanding team and financial performance.

Her most recent corporate position was Managing Director of Europe's largest and fastest growing Mobile Computing Distributor where she was responsible for the start-up of the business from scratch to it's leading position in Europe.

Her outstanding professionalism and clear thinking bring clarity to her coaching but not at the expense of humour, she makes coaching an enjoyable experience. She brings a totally practical and jargon free approach to her clients, who range from SMEs to major international blue chip companies.

Steph is an NLP Master Practitioner, has a Diploma in Business Growth Coaching and an ILM Level 7 Diploma in Executive Coaching and Leadership Mentoring. She also is also a coaching tutor for the ILM and has significant experience in implementing coaching cultures in many of the organisations where she works.

Taking on challenges spills over into her leisure time as well, elephant charges in Zambia and lion encounters in Tanzania are just recent examples.

## What Steph's clients say...

"Stephanie has helped me to help myself, objective and challenging, and where necessary forceful, pushing me to question my motives and the reasons behind actions. Insightful and non-judgemental she provides an excellent sounding board to make better business & life decisions." *Stephanie Horton, MD, River Canal Rescue*

"My sessions with Stephanie have allowed me to reflect and plan in a more rigorous way than I have historically been able to achieve and I am clear about how I need to take the business forward. Stephanie provides an exceptional combination of energy, support and challenge in our coaching sessions. This combined with her extensive business experience means she has been a critical part of the transition process in my business." *Kate Daniels, Managing Director, H & D Consulting*

"Stephanie's impact has been immediate and far-reaching. She has taken a couple of high performers up a few gears - making them understand why they operate the way that they do and making them understand how to improve their own performance. Her ability to keep things simple and deliver high impact coaching has turned her into an integral part of our teams' ongoing success." *Denis Jackson, MD, Citigroup*

## What Steph says...

"My strongest belief is in people's innate ability, their almost infinite capacity to achieve both in business and their personal life. Coaching, coupled with advanced NLP techniques can do more to transform business than almost any other factor in the 21st century."
